If a One K Helmet does not come in your size, you can easily change the liner for a perfect fit... Here's how:

DEFENDER PRO HELMET LINERS

Two shells make up all sizes. The base shells for the Defender Pro are Large and X-Large. Use the Large size helmet with a Medium, Small or X-Small Liner to change the fit of the Large Helmet into a Medium, Small or X-Small Helmet. Use the X-Large size helmet with an XX-Large Liner to change the fit to XX-Large Helmet.

DEFENDER & FURLONG HELMET LINERS

Two shells make up all sizes. The base shells for the Defender and Furlong are Medium and Large. Use a Medium size helmet with a Small or X-Small Liner to change the fit of the Medium Helmet into a Small or X-Small Helmet. Use the Large size helmet with an X-Large or XX-Large Liner to change the fit to an X-Large or XX-Large Helmet.
