

Conditioning on the inside, results you can see on the outside

Absorbine Maximize™ pellets support complete conditioning from the inside out:

- Lysi-Crea® Complex, a proprietary blend of Lysine and Creatine, supports muscle development
- Prebiotics and GanedenBC³⁰⁰ probiotic help maintain balance in the total digestive tract
- Omega-3 fatty acids help maintain calmness
- Antioxidant properties of Gamma Oryzanol support a healthy immune system
- May reduce the possibility of digestive colic
